100 YEAR ANNIVERSARY CELEBRATION

On June 2, we will celebrate the 100th anniversary of Gaddis Church in a formal building. After church service there will be a potluck and it would be wonderful to have any old members or previous members. A committee has been formed to organize this event. Also, if you have any old photographs that you would like to share and have displayed, please bring them to the church office.

Happy Anniversary, Gaddis!

Pastor's Thoughts for May 2024

What is the month of May known for - April showers bring May flowers, Cinco de May, May 5th, Mother's Day, May 12th, and Memorial Day, May 27th are just a few things. May also brings Graduations and Baccalaureates. For the Christian Calendar it is also the celebration of the birth of the church - Pentecost.

May 19th is Pentecost Sunday, the day the disciples received the gift of the Holy Spirit. The Holy Spirit turned a small group of men who were fearful of their fate for following Jesus into men of courage going out to all the world and sharing the Good News of Jesus' life, death, and resurrection. We claim this as the birth of the church. Traditionally we wear red for the color of the flame of the Holy Spirit that landed on each disciple's heads and gave them the ability to speak with passion about God's fulfillment of God's promise through Jesus the Christ.

The stories of Moses and the burning bush, Mount Sinai, the tabernacle, and the temple all include fire that shows up when God's presence arrives and marks his dwelling space or temple. In Acts 2, Luke is hyperlinking to these previous divine-fire scenes to give a background to the Pentecost story. The divine fire has previously rested on Yahweh's temple spaces, so where does it rest in this scene?

"When the day of Pentecost had come, they were all together in one place. And suddenly there came from heaven a noise like a violent rushing wind, and it filled the whole house where they were sitting. And there appeared to them tongues as of fire distributing themselves, and they rested on each one of them." Acts 2:1-3

It's a temple made out of "each one of them." It's made of people. People will meet with God not in a geographic place or constructed space but in connection with those who choose to trust and follow Jesus. God's fire shines with power and harms nobody, and it ignites a cosmic revolution, the Church.

 PRAYER REQUESTS may be made

The story tells us that God now dwells within the community of Jesus followers. This living temple is made of people who operate like Jesus, ending fear and oppression with love and peacefully teaching humanity how to love and bless one another. In this sense, Pentecost marks the beginning of a new world.

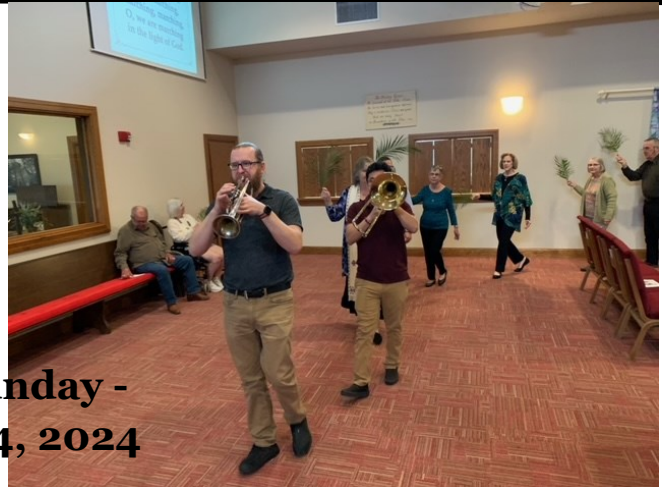

We need to pray, "Come Holy Spirit, Come, set us on fire to transform your creation by your love and mercy we have received through Jesus Christ our Lord. "

Goodness gracious, great balls of fire!

God bless,
Pastor Barbara

The Bishop has appointed Pastor Barbara to a new church. Her appointment in La Vernia will begin July 1st. Please be in prayer for her in this transition and also pray for the cabinet as they make a decision for our new pastor.

HOPE, FAITH, TENACITY

By Dusty Bruns

Storms of life occasionally present themselves, sometimes interjecting misfortune upon a multitude of living entities. But it is not through God's will that these misfortunes occur.

A storm came with high winds. A lone walnut tree was rooted in the shallow, rocky soils of a ridgeline, in the way of the approaching storm. A strong gust of wind pushed the tree backwards, causing several roots to break. The walnut tree ended up on its back, seemingly destined to die. But the walnut tree did not give up. The remaining roots - although stressed - still held, sustaining life. The storm occurred months ago, prior to winter. This spring, the tree has leafed out and is resuming life. Down, but not defeated!

As with all life here on earth, we sometimes suffer a life event which pushes us down. Our need lies in trusting God to help us get back up. God does not cause adversity. God is here to help us through adversity and to overcome.

From time to time we all experience problems for which we have feel we have limited solutions. We need Devine intercession in our situation. **Hope** gives us the ability to confront our problems and the opportunity to ask for Divine intervention through prayer.

Faith is the fervent belief that our prayers will be received by God. In Mark 9:24, a father brought his epileptic son to Jesus, begging Him, "Please heal my son!" Jesus replied to the father, "All things can be done for the one who believes." Many of us can relate to the father's reply, "I believe; help my unbelief!" It is one thing to pray, but we must have faith to understand that God will be with us and see us through our adversity.

INVITATION

At Gaddis our regular schedule is one service at 10:00 am with adult Sunday school classes at 9:00 am. We play your hymnal favorites with a few newer pieces of music when appropriate to the message. All of our songs and messages are designed to enhance your worship experience. Come, join us each Sunday for a warm, spiritual gathering of down-home friendly folks. Everyone is welcome.

Our normal service includes Communion each Sunday. Our Communion Table is not a United Methodist Table; it is open to all who want to receive Christ into their lives and love God.
